

In the 2021 Rwanda like any other country in the world was experiencing the time of lockdown due to Corona virus (COVID 19). Businesses closed down and schools at large.

During these times of closing down, was was very hard and not easy to so many people.

APV had stake holderes of teen mothers and people with disabilities whose life was in a terrible state.

It is in this regards APV applied for COVI 19 relied to AHF Fund and AHF Fund granted the relief of various items including food and accompanment, sanitary materials to the above mentioned people.
